

Logbook Requirements for becoming a BCU One Star Assessor

If you wish to deliver the BCU One Star Award and/or the BCU Paddlepower Passport Award then you will need to provide the following information in the logbook(s) due to be distributed to all registered and current BCU UKCC Level 1 coaches by the end of November 2009.

The initial tasks within the logbook will be:

- 1) Completion of the BCU UKCC Level 1 Coach Qualification
- 2) Valid Coach Update Status (as long as you have maintained Canoe England membership, your coach update status is valid for 3 years following your Level 1 Course)
- 3) Registered Paddlesport Start Assessor (to become an assessor please complete the Star Awards Assessor Registration Form available from www.canoe-england.co.uk/coaching/coaching-forms/)
- 4) The date of your Paddlesport Start Assessment run

Once these initial tasks have been completed you can start to work on courses alongside a qualified 1 Star Assessor, recording this evidence within the logbook. There is no minimum number of courses to work. When you feel ready to take the responsibility for a course, you will need to be observed and endorsed by a registered 1 Star Assessor for your final logbook task.
