CRB Disclosure - Please note that you will be required to complete an enhanced CRB or equivalent disclosure before assessment / qualification. This is because the role for which you will qualify may involve working with children and vulnerable adults. If you are a 'volunteer' coach there is no charge for this, however, for non volunteers the CRB does make a charge for disclosure. For more information, please see the BCU's Child Protection and CRB policy information. This can be found at www.bcu.org.uk, or on your own home nation website. Alternatively you can request a copy by email stating your name and membership no.

"If I am unable to obtain a CRB certificate prior to assessment I understand that I will not receive my qualification certificate until a satisfactory CRB is returned. If the CRB is returned after the commencement of the course and is unsatisfactory I will not receive the qualification certificate and I will not receive a refund of fees";

FEES - The fees payable with your registration application are outlined in the attached information. These fees relate to administrative, resource and licensing requirements, they do not include any element of course / tutoring fee. These are charged by and paid to your course provider.

DATA PROTECTION - The BCU and its associations will use your personal data including sensitive personal data for coach education purposes only and to send you, by post or email/SMS, information related to those purposes. For further details please see www.bcu.org.uk/privacy.

- 2 I do not have a criminal record with regard to offences against young people, and agree to the BCU/CANI/SCA/WCA actioning a CRB / Police check in that respect. I also agree to notify the above if I gain a criminal record, at any time in the future.

Accreditation of Prior Learning (APL) / Accreditation of Prior Experience and Learning (APEL)

Candidates who have covered the course material through alternative learning opportunities can apply to BCU Awarding for Accreditation of Prior Learning (APL) / Accreditation of Prior Experience and Learning (APEL). BCU Awarding aims to recognise learners' previous achievements and experience through APEL. Evidence may be acquired through additional study, employment, or voluntary work that relates to the units within the BCU Level 1 Certificate in Coaching Paddlesport. This evidence can be submitted to BCU Awarding for review of authenticity/currency and mapping against the learning outcomes and assessment criteria.

The APL / APEL Guidelines are available from BCU Awarding upon request.

The Coaching Code

Candidates who have signed an application form for a course leading to a BCU qualification have agreed to the following:

1. The BCU and BCU Coaching UK have endorsed the following policies and as such all coaches should read, endorse and abide by the the following:

**Statement of Physical Competence / Duty of Care / Code of Ethics
Child Protection / Equal Opportunities / Manual Handling
Coach Update / Insurance**

You should understand that in law you have a 'Duty of Care' to others, and that this duty of care is enhanced with regard to your responsibility to those who you teach because of the training and any qualification you receive.

It is your duty to inform your National Association and or BCU Coaching UK should at any time you suffer any significant injury or develop any debilitating illness or condition which may impair your ability to be responsible for the overall safety of the canoeists in your charge. (The declaring of impairment does not necessarily debar a person from holding a coaching qualification)

You should understand that the First Aid qualification relevant to your award should be kept current whilst practising as a Coach and for your coaching qualification to remain valid.

As a member of the BCU Coaching Service you agree to complete a Self Declaration Form as proof of your eligibility to work with under 18's. In some instances as a level 1 coach and as a level 2 coach it will be necessary, as a BCU coach , to undergo a Criminal Records Bureau check with regard to offences against young people.

Every three years as a Coach and also as an Assessor, you will be required to 'revalidate' as per the procedure within your National Association, giving evidence that you have been active and have attended the stated updating workshops and forums.

STATEMENT OF PHYSICAL COMPETENCE

" I understand that in law I have a 'Duty of Care' to others, and this Duty of Care is enhanced with regard to my responsibilities to those whom I teach because of the training and any qualifications which I may receive"

"I declare that to the best of my knowledge and belief I am physically fit, and do not have any
*condition which may impair my ability to be responsible for the overall safety of canoeists in my charge"

"I do not have *diabetes or *epilepsy, and understand that in the event of any change to my fitness to be responsible for the safety of others, I must declare the fact to the BCU UK Director Of Coaching"

* The declaring of an impairment does not necessarily debar a person from holding a coaching award or qualification. The BCU does its utmost to ensure that only common sense conditions are placed on those who may not be able to fulfill all requirements, both stated and implicit, for the holding of a coaching qualification. Please send a SAE to the BCU coaching office for a copy of the policy statement giving terms of reference under which qualifications may be awarded or continue to be held.
