#### General information

##### Canoe England block insurance policy

We have agreed to insure members of **Canoe England** under a block policy of insurance for the level of cover shown on each member's **Level of cover** during any **period of insurance** for which the member has paid a premium.

We will insure **your canoe** while it is:

- Used on inland and waters around the coast of the **United Kingdom** up to a distance of 12 miles offshore. You can travel between two points of the United Kingdom by the most direct route even though this might take you outside the 12 mile limit.
- Used on inland and coastal waters of **Europe** for a maximum period of 30 days in any period of insurance.

##### Your Policy

**Your policy** shows what **you** are insured for and what **you** are not insured for. **You** should read **your policy** and make sure your level of cover meets your needs.

## **Making a claim**

**You** may find the following advice helpful.

- Check **your policy** to see if the loss or damage is insured. Look at section 1 'loss or damage' and what is not insured. **Your policy** is not a maintenance contract and **we** do not insure loss or damage caused by wear and tear.
- Get in touch with **us** for a claim form.
- If **you** do not have to have repairs done straightaway, get two estimates if possible and send them to **us** with **your** claim form. Send **us your** claim form even if **you** are waiting for the estimates.
- **You** can have emergency repairs done if it stops more damage to **your canoe**, or if it means **you** can carry on using **your canoe**.
- Tell the police straightaway if someone has stolen **your** property or if it has been damaged by vandals, or **you** have lost a valuable item.
- If **you** have any questions or need help in making **your** claim, please get in touch with **us**.
